Program: Getting Scholarly Resources into the Hospital Environment:

From Print to Digital

Judith S. Cohn, MLS

Associate Vice President for Scholarly Info/University Librarian

UMDNJ University Libraries

Description: The course presented by Judith S. Cohn is going to provide the skills needed for hospital libraries to provide electronic scholarly resources to their constituents. It is intended to assist librarians who belong to consortia to work together to provide these services using either the "group" or "go it alone" models.
