Publicity/Website Committee Report Fall Meeting 2010

For the period between April & November 2010 the BQSI/MB website was frequently updated. Postings to the BQSI/MB news section have been placed on a regular basis. The sections Professional Resources, History & Photo Archives, and Meetings have been expanded.

I would like to thank BQSI/MB members for their suggestions, assistance, updates for the site, as well as general encouragement. Thank all of you.

As usual, I ask all members kindly check the information on the website for any errors (such as typos, broken links, outdated information, etc.); please keep me posted on any changes in your profile, so that we could keep our website updated. Also please inform me about your new publications, any changes in AHIP level, etc., to let make all your colleagues know about your achievements. One of the major goals of our group is to provide networking and our website and listserv are perfect means for that. Let's be linked in!

Respectfully submitted,

Yelena Friedman
Publicity/Website Committee Chair
