### **Membership Committee Report Fall 2011**

As of the Fall 2011 BQSI/MB has 40 individual members representing 35 institutions, and 8 Emeritus members. Almost a half of the consortia members are involved in the BQSI/MB committees. There are 7 Executive Board members and 14 Committee members.

During this time one member retired and was granted Emeritus membership; 3 new members joined the group and 2 member resigned.

All membership changes are reflected in the directories located on the BQSI/MB website. If you see any discrepancies there, please immediately inform Yelena Friedman, our Webmaster, or myself.
