Publicity/Website Committee Report Spring Meeting 2011

For the period between November 2010 & April 2011 the BQSI/MB website was frequently updated and the members were informed about any changes. Postings to the BQSI/MB news section have been placed on a regular basis. The mailing list was verified and renewed. New photos from the last meeting have been added to the Photo Archive section.

I would like to thank all members who sent me the updates, advised about important news, and shared their professional experiences. Your participation helps me to keep our website dynamic and useful. Thank all of you.

As usual, I ask all members kindly check the information on the website for any errors (such as typos, broken links, outdated information, etc.); please keep me posted on any changes in your profile, so that we could keep our website updated. Also please inform me about your new publications, any changes in AHIP level, etc., to make all your colleagues aware of your achievements. One of the major goals of our group is to provide networking and our website and listserv are perfect means for that.

Respectfully submitted,

Yelena Friedman
Publicity/Website Committee Chair
