UPDATE YOUR DOCLINE RECORD

Requested by Docline Customer Service -- Please take a few minutes to verify the information in your library's Institution record, including delivery addresses; that staff changes are reflected in People; services & fees are current, and most important, check that the DOCLINE Options page reflects your borrow and lending preferences. Up to date information is essential for DOCLINE to accurately route requests to lenders; and provides lenders necessary information for delivering the requested material to borrowers.
