Publicity/Website Committee Report Spring Meeting 2016

For the period between October 2015 & April 2016 the BQSI/MB website was frequently updated and the members were informed on new postings and changes. A member mailing list was updated as needed.

As usual, I ask all members kindly check the information on the website for any errors (such as typos, broken links, outdated information, etc.); please keep me posted on any changes in your profile, so that we could keep our website updated. Also please inform me about your new publications, any changes in AHIP level, etc., to make all your colleagues aware of your achievements. One of the major goals of our group is to provide networking and our website and listserv are perfect means for that.

Respectfully submitted,

Yelena Friedman
Publicity/Website Committee Chair
