## **BQSIMB - SHARED RESOURCES COMMITTEE REPORT - FALL 2020**

Submitted by Lydia Friedman  
Chair, Shared Resources Committee

### **EFTS**

See attached for the latest EFTS update.

### **Publishers**

Please make every effort to negotiate with the publishers you purchase from to have your license agreements allow for interlibrary loans.

### **DOCLINE**

Brooklyn, Queens, SI, Manhattan, & Bronx Health Sciences Lib (BQSIMB) 25 (MAR)  
Basic Health Sciences Library Network (BHSL) (NE and MA regions only) 264  
Free Reciprocal Interlibrary Loan Group (FREESHARE) 1240 (all regions)  
Metropolitan New York Library Council (METRO) 49 (MAR)

The following information previously in Old Docline not yet available in New Docline:

- # BQSIMB members in FREESHARE = N/A
- # BQSIMB members in both BHSL & FREESHARE = N/A

Docline's reply:

*Library Groups have not been integrated into Libraries Search yet in this version of DOCLINE. You can see the available Library Groups in the filter in Journals Search, once you drill down to the title level and the additional filters become available. If you really needed to, you can see if another library is a member using Library Search and My Routing table filter (assuming you have added all your groups to your routing table.*
